Bilingual Authorization Add-on

PROGRAM OVERVIEW:

This program is designed for credentialed teachers in Ventura County interested in adding a Bilingual Authorization (BLA) for Spanish to their teaching credential.

Students enrolled in the program will gain background knowledge on teaching and learning in bilingual and multicultural school settings, including in dual immersion class rooms, research-based theories and practices informing bilingual education, and the relationship of culture and language in bilingual programs. Courses, including assignments, lectures, and classroom activities, will be conducted in both English and Spanish.

Upon completion of the program, students will be prepared to work in a variety of bilingual education classroom settings, including dual immersion classrooms, bilingual transitional programs, integrated ELD settings, and structured English immersion.

ADMISSION REQUIREMENTS:

In order to be considered for admission, students must 1) Hold a clear or preliminary credential; 2) Have classroom experience working with emergent bilinguals/English learners; and 3) Hold an English Learner Authorization

PROGRAM REQUIREMENTS:

- Passing score on the CSET Spanish Subtest III
- Nine (9) units of coursework over summer
- Complete 20 hours of fieldwork in a bilingual classroom
