**Notes: The recommendations below are incorporated in the advising plan above. Talk with your advisor about alternative course selections.**

### Multiple Subject or Special Education Credential

Students considering a Multiple Subject or Special Education credential are strongly urged to complete the following courses. These courses in conjunction with other program requirements provide the subject matter background knowledge tested on the CSET-Multiple Subjects examination.

- COMP 101 - Computer Literacy
- HIST 211 - World Civilizations: Origins to 1500
- HIST 369 - California History and Culture
- MATH 208 - Modern Mathematics for Elementary Teaching I: Numbers and Problem-Solving
- MATH 308 - Modern Mathematics for Elementary School Teaching II-Geometry, Probability and Statistics
- PHSC 170 - Foundations in Physical Science

Complete one from the following:

- BIOL 100 - Exploring the Living World
- BIOL 170 - Foundations of Life Science

### Additional General Education and other Graduation Requirements

To graduate, students must complete 120 units minimum (40 units must be upper division), including the following General Education (GE) and Graduation Requirements:

- Additional lower division GE Area A-E requirements not met within major
- American Institutions Requirement
- Language Requirement (C- or better grade)
- Multicultural Perspectives (MP) Mission Pillar Requirement
- Nine units of Upper Division General Education (UDGE) courses, one each in Areas UDGE-B, UDGE-C, and UDGE-D
- Free electives as needed to meet minimum units for graduation
