

MASTER OF ARTS: EDUCATIONAL LEADERSHIP HIGHER EDUCATION EMPHASIS

School Of
EDUCATION
CHANNEL
ISLANDS

Do you work at a community college or university and are ready to explore your leadership skills? Do you have professional goals to lead your program, department, or division?

The Master of Arts in Educational Leadership is for you!

The Higher Education Emphasis prepares candidates for increasingly responsible leadership positions in public and private universities and community colleges.

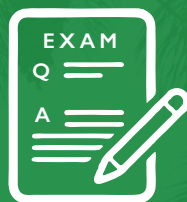

Completion of this degree prepares graduates to be effective educational leaders by expanding their knowledge of organizations, systems, law, management, assessment, and evaluation of personnel.

*“The faculty in the
Educational Leadership Program
have been phenomenal. The relationships that I have built
through this program have been extremely valuable in both
my personal and professional roles.*
