

MASTER OF ARTS: EDUCATIONAL LEADERSHIP / PASC

Are you a teacher ready to explore and refine your school-wide leadership skills? Are you interested in becoming a school principal in California? Perhaps you want to pursue the credential first and think about the Master's later?

The M.A. in Educational Leadership is for you!

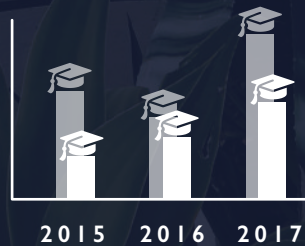

The M.A. in Educational Leadership (P-12 Emphasis) can prepare educators for future careers. The Preliminary Administrative Services Credential (PASC) is closely aligned with our M.A. in Educational Leadership P-12 Emphasis coursework and prepares candidates for the State of California culminating credential assessment tasks.

“ My involvement with the School of Education will be a lifelong impact.

Without my M.A., I would not have the upward mobility that I now have. My degree will be mine for life. I have found mentors in the SOE that invested their time in me and that is something I will never forget.
