

## ELEMENTARY EDUCATION CREDENTIAL

All pre-req courses must be passed with a C or better. All credential courses must be passed with a grade of C+ or better and with an overall min 3.0 GPA.

Please see your multiple subject advisor to plan your course of study.

Pre-req courses must be completed prior to starting the credential program and these can be taken throughout the year. All credential coursework, not including pre-req courses, must begin in fall and be completed in that year.
